

Ayush Kumar Singh

UX Engineer

ayush.singh.xda@gmail.com • +91 7011 439 788 • Noida, India

PROFESSIONAL SUMMARY

I am a self-taught UI/UX Designer and Front end developer. I bridge the gap between Designers and Developers by serving different roles on different occasions. I like to take responsibility for crafting end to end User Experience from prototyping to develop the actual product. "Jack of all trades, master of none. Often better than the master of one."
